Basic Service Contracts - No Professional Liability Exposure

INSURANCE REQUIREMENTS FOR CONTRACTORS

Without limiting Contractor's indemnification obligations to County, Contractor shall provide at its sole expense and maintain for the duration of this contract, or as may be further required herein, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of the work by the Contractor, his agents, representatives, employees or subcontractors.

1. Minimum Scope of Insurance

Coverage shall be at least as broad as:

- A. Commercial General Liability, Occurrence form, Insurance Services Office form CG0001.
- B. Automobile Liability covering all owned, non owned, hired auto Insurance Services Office form CA0001.
- C. Workers' Compensation, as required by State of California and Employer's Liability Insurance.

2. Minimum Limits of Insurance

Contractor shall maintain limits no less than:

- A. Commercial General Liability including Premises, Operations, Products and Completed Operations, Contractual Liability, and Independent Contractors Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage. The General Aggregate limit shall be \$2,000,000.
- B. Automobile Liability: \$1,000,000 each accident for bodily injury and property damage.
- C. Employer's Liability: \$1,000,000 each accident for bodily injury or disease. Coverage shall include waiver of subrogation endorsement in favor of County of San Diego.

3. Deductibles and Self-Insured Retentions

Any deductible or self-insured retention must be declared to and approved by County Risk Management. At the option of the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, the members of the Board of Supervisors of the County and the officers, agents, employees and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the County guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

4. Other Insurance Provisions

The general liability and automobile liability policies are to contain, or be endorsed to contain the following provisions:

A. Additional Insured Endorsement

Any general liability policy provided by Contractor shall contain an additional insured endorsement applying coverage to the County of San Diego, the members of the Board of Supervisors of the County and the officers, agents, employees and volunteers of the County, individually and collectively.

B. Primary Insurance Endorsement

For any claims related to this Contract, the Contractor's insurance coverage shall be primary insurance as respects the County, the members of the Board of Supervisors of the County and the officers, agents, employees and volunteers of the County, individually and collectively. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

C. Notice of Cancellation

Notice of Cancellation shall be provided in accordance with policy provisions.

D. Severability of Interest Clause

Coverage applies separately to each insured, except with respect to the limits of liability, and that an act or omission by one of the named insureds shall not reduce or avoid coverage to the other named insureds.

General Provisions

5. Qualifying Insurers

All required policies of insurance shall be issued by companies which have been approved to do business in the State of California by the State Department of Insurance, and which hold a current policy holder's alphabetic and financial size category rating of not less than A-, VII according to the current Best's Key Rating guide, or a company of equal financial stability that is approved in writing by County Risk Management.

6. Evidence of Insurance

Prior to commencement of this Contract, but in no event later than the effective date of the Contract, Contractor shall furnish the County with certificates of insurance and amendatory endorsements effecting coverage required by this clause. Renewal certificates and amendatory endorsements shall be furnished to County within thirty days of the expiration of the term of any required policy. Contractor shall permit County at all reasonable times to inspect any required policies of insurance.

7. Failure to Obtain or Maintain Insurance; County's Remedies

Contractor's failure to provide insurance specified or failure to furnish certificates of insurance and amendatory endorsements or failure to make premium payments required by such insurance, shall constitute a material breach of the Contract, and County may, at its option, terminate the Contract for any such default by Contractor.

8. No Limitation of Obligations

The foregoing insurance requirements as to the types and limits of insurance coverage to be maintained by Contractor, and any approval of said insurance by the County are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by Contractor pursuant to the Contract, including, but not limited to, the provisions concerning indemnification.

9. Review of Coverage

County retains the right at any time to review the coverage, form and amount of insurance required herein and may require Contractor to obtain insurance reasonably sufficient in coverage, form and amount to provide adequate protection against the kind and extent of risk which exists at the time a change in insurance is required.

10. Self-Insurance

Contractor may, with the prior written consent of County Risk Management, fulfill some or all of the insurance requirements contained in this Contract under a plan of self-insurance. Contractor shall only be permitted to utilize such self-insurance if in the opinion of County Risk Management, Contractor's (i) net worth, and (ii) reserves for payment of claims of liability against Contractor, are sufficient to adequately compensate for the lack of other insurance coverage required by this Contract. Contractor's utilization of self-insurance shall not in any way limit liabilities assumed by Contractor under the Contract.

11. Subcontractors' Insurance

Contractor shall require that any and all Subcontractors hired by Contractor are insured in accordance with this Contract. If any Subcontractors coverage does not comply with the foregoing provisions, Contractor shall defend and indemnify the County from any damage, loss, cost or expense, including attorney fees, incurred by County as a result of Subcontractors failure to maintain required coverage.

12. Waiver of Subrogation

Contractor and County release each other, and their respective authorized representatives, from any Claims (as defined in the Article entitled "Indemnity" of the Contract), but only to the extent that the proceeds received from any policy of insurance carried by County or Contractor, other than any self-insurance, covers any such Claim or damage. Included in any policy or policies of insurance provided by Contractor hereunder shall be a standard waiver of rights of Subrogation against County by the insurance company issuing said policy or policies.

What is Geofeedia?

Geofeedia is a location-based social media monitoring, analysis and engagement platform.

Our solution enables Law Enforcement agencies to understand, in real-time, social media happening at locations important to them. Our patent-pending technologies allow you to search and monitor areas as large as a city or as small as a single building across multiple social media services.

We search by geo-location first rather than by specific keywords. We complement traditional social media keyword monitoring tools as our data set contains a significant amount of social content typically missed by keyword monitoring.

How Does It Work?

Through our simple point and click map drawing interface, you define specific locations to search and monitor. We deliver all geo-tagged social media from the locations you define to your desktop as real-time snapshots or perpetual monitoring streams. We provide analytics and sharing tools, and archive the content you capture in our secure data warehouse. You can retrieve historical content, or export data in a variety of formats.

What's the Benefit?

Many Law Enforcement agencies use us to improve:

- Targeted surveillance and monitoring
- Crisis response and management
- Resource Allocation
- Source and data evaluation and corroboration
- Venue security operations
- Community engagement

Kevine,

There are some issues with the online terms:

- T&Cs can be modified at any time without notice to the County.
- Section 2.3 refers to an online privacy policy at "<https://geofeedia.com/home/privacy>", which seems to be unavailable at the moment. Do you have a copy already downloaded?
- Under "Term and Termination", section 1, Geofeedia can terminate without notice or refund if we are in breach.
- Under "Limitations; Disclaimer", section 3, Geofeedia's liability is limited to the price of the contract.
- Under "Indemnification", we are required to indemnify Geofeedia for any liability arising from our use of the services.
- Under "General", section 4, the agreement is governed by Delaware law.
- Under "General", section 5, the County is subject to binding arbitration.

Ideally, we would eliminate the reference to Geofeedia's online T&Cs and rely on the County's T&Cs instead. If that is not possible, the main provisions we should focus on removing from Geofeedia's T&Cs are binding arbitration, Delaware law, and indemnification. We could do this by attaching a physical copy of the T&Cs (as modified) to the quote in lieu of the embedded link.

- Mark
