Re: California Public Records Act Request

Dear Mr. Swartz:

In our January 22, 2019, response to your request under the California Public Records Act, for records relating to Unmanned Aerial Vehicles, we informed you that we would send responsive documents under separate cover. Those responsive documents (invoices for the Kern County Sheriff's Office's five Unmanned Aerial Vehicles) are enclosed. In our January 22, 2019, correspondence we also stated that we would provide our policy on Unmanned Aerial Vehicles however, the policy is still in the drafting process so we will not be providing it at this time pursuant to California Government Code § 6254(a).

If you have any questions, please feel free to contact me at 661-391-7518 or email: walshm@kernsheriff.org

Sincerely,

DONNY YOUNGBLOOD,
Sheriff – Coroner, County of Kern County
