Re: Response to CPRA Request Concerning Automated License Plate Readers

Dear Ms. Rosenberg,

The Sacramento Sheriff's Department is in receipt of your California Public Records Act request.

Request 1: "Number, if any, of License Plate Readers owned by this department or agency, including the manufacturer and whether a data storage package has been provided by the manufacturer;"

**Response:** The Sacramento Sheriff's Department owns 63 LPR systems and all data is stored for two years on a cloud based storage.

Request 2: "Any documents or correspondence during the period encompassing this request regarding possible or planned acquisition of License Plate Readers;"

**Response:** The Sacramento Sheriff's Department will provide the following documentation:

- FY 2018 State Homeland Security Grant Program (SHSGP) Project Narrative Application

Request 3: "Any existing or proposed usage policies regarding the use of License Plate Readers including protocols, training documents, data storage procedures and prohibited activities;"

**Response:** The Sacramento Sheriff's Department will provide the following documentation:

- Automated License Plate Reader Program General Order

Request 4: "Any current or past litigation involving or referencing this department or agency involving the use of License Plate Readers;"

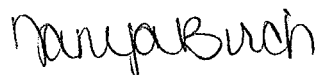

**Response:** Documentation exists; however, the Department does not track litigations in the way you request the information as broken down to the use of License Plate Readers. Pursuant to California Code 6255 the Department does not maintain documentation in the ordinary course of business in order to comport with your request.

If you have any questions, please inquire to Legal Affairs.

Thank you for your inquiry.

Very Truly Yours,

SCOTT JONES, SHERIFF
