RE: Public Records Reference # P008223-022118

Tracy:

The City of Sacramento has received your California Public Records Act request dated February 15, 2018 wherein you requested data related to Gunshot Detection Microphones and past litigation.

The City has begun researching and identifying records responsive to your request. Consequently, additional time is necessary to properly respond to your request due to the need to search for and collect requested records not located in the City Clerk's Office (permitted under Government Code 6253 (c)(2)). We will notify you within fourteen (14) days as to whether the City is in possession of non-exempt records responsive to your request.

If you have any questions, please feel free to contact the City's Record Department at (916) 808-5002 or via email at [records@cityofsacramento.org](mailto:records@cityofsacramento.org).

Sincerely,

Rachel Lee  
Deputy City Clerk  
Office of the City Clerk
